By Car - Directions from M32

Carry straight on from the end of the M32. Stay in the right hand lanes (eventually the road divides into four lanes - two going left and two going right). When you reach the lights immediately in front of Debenhams, follow the road around to the right until you come to a roundabout where you should take the second exit (following signs to Bus Station, Royal Infirmary and Clifton). Go straight on over several sets of traffic lights. Just after the entrance to the multi-story car park on your left, turn right into Woodland Road.

Parking

On-street parking is available in the immediate vicinity of Park Row and Woodland Road on metered parking. In addition there is a council car park on Park Row (access via Lodge Street).

By Rail

There are two stations in Bristol - Temple Meads and Parkway. If you have the option, we recommend you go to Temple Meads which is much closer.

From Bristol Temple Meads station - Temple Meads station is one and a quarter miles from our office. There is a taxi rank at the station. If you'd rather not get a taxi, we are very close to the main Number 1 bus route which goes from Temple Meads station.

From Bristol Parkway station - Parkway station is about six miles from our office. You are recommended to take a taxi.
